TO: All Attorneys and judges practicing in or connected to Mohave County:

Last year you will recall we carried over the memberships through June 30, 2010 so that all members' dues would come due on the same date each year, July 1. Thus as we begin our new operations year for 2010-2011 dues are now payable from all of you.

Dues have gone up this year to \$35 for private practitioners and \$25 for Public Sector Lawyers and Judges. This will enable us to sponsor a variety of worthy programs to improve legal education in the county, including youth programs. Our highly successful CLE program from last year will continue this year, a full 15 credit program in various sites around the county. You will be receiving that program in tandem with this mailing. As you will see, it is a bargain, the price kept low to make it an affordable, convenient service to the members of our bar with an excellent faculty covering a wide range of topics. *Attorneys must be a member to attend.*

We are especially grateful for the outstanding support for our program from the members of our judiciary and to former Chief Justice Frank X. Gordon, Jr., for his continuing assistance. He will be a presenter for our January 20 CLE session.

We request all dues be paid by no later than July 31, 2010. Please print the next page of this message and return it and your check to: **Jay Bidwell**
2240 N. McCulloch Blvd.
Lake Havasu City, Az 86403.

If you are enrolling in the CLE program as well, you may return a single check for both dues and CLE Registration. There is a separate registration form in that packet for CLE and we ask you to return it with your membership form if sending a single check.

Sincerely,

Paul Sowerby
President
